

## GD35-PCB

- Aluminium PCBs
- Ø 8 mm – 20 mm
- SMD 3535 footprint

### Description

Printed **aluminium circuit boards**, designed for easily soldering and mounting of GD35 series LEDs or other LEDs with identical 3535SMD footprint. Available from 8-20 mm in diameter. Ideally suited for prototyping and evaluation.

GD35-PCB-8	GD35-PCB-10	GD35-PCB-14	GD35-PCB-20
			
8mm	10mm	14mm	20mm

### Solder Pad Layout

- all dimensions in mm
- drawing not to scale
